KANSAS CAREER AND COLLEGE READY STANDARDS

Meadow View has fully implemented the KCCRS teaching standards. One of the key requirements of the reading standards is that all students must be able to comprehend texts of steadily increasing complexity, so by the time they graduate they can read and comprehend complex text needed for college and careers. As we move to this higher level of reading complexity we need parents' help. Please encourage your child to complete independent reading assignments when given. Talk about the reading, ask questions about how it relates to them. Working together we will be able to raise the understanding of complex text.

BE COURTEOUS ON SOCIAL MEDIA

We are asking parents and school supporters to be courteous and thoughtful when posting student pictures on social media. We have many students enrolled in our school who have asked our district NOT to publish or post their pictures. Many times at school functions and events parents take many pictures of their students and others. Please be considerate when publishing or posting pictures.

HELPING OUR COMMUNITY

Thank you for helping to support the Stella Wells food drive. Meadow View was able to contribute over 2000 items for the food drive. Thanks for your contributions and for helping us teach our students about helping others through community service.

SITE COUNCIL

Our next Site Council meeting is Tuesday, February 7th at 5:30 in the school library. Everyone is welcome to come.

TRANSPORTATION CENTER

The transportation department wants to wish everyone a Merry Christmas and a Happy New Year! Also a reminder, if you have any phone number or address change please let us know.

WINTER DRESS

As the weather continues to get colder, please be aware of what your student is wearing to school. We will go outside for recess unless the temperature is dangerously low. Students need to wear a coat and hat during the winter months. If your student needs a warmer coat for winter let us know and we can get one for them.

INCLEMENT WEATHER

In the event we would need to close school due to inclement weather please tune into the following radio and TV stations:

KLKC- 93.5 Radio - Parsons
KGGF- 98.9 Radio - Coffeyville

We will also use our automated messaging system to notify you of school closures. If you have not received any of our texts or emails yet this year, please call our office so we can add your number to the list.
