CHARACTER COUNTS

We are working on building character in our students. To help us teach these traits to our students we are implementing the "Character Counts" curriculum. This month's character trait is Trustworthiness. Be Honest. Don't Cheat or Steal. Be Reliable - do what you say you'll do. Have the courage to do the right thing. We will work on this character trait until the end of school.

Fun day activities were approved and PTO dates for next year were discussed as well as a date for our Meadow View carnival.

THANK YOU TO OUR PTO!

Students recommended for summer school were given letters to return to the office. Please get those turned back into the office by May 5th. We want to make final preparations and need accurate numbers to do so. If you need another form please call the office. Summer School runs from June 5th to June 30th. For more information call the school office.

NEW TO MEADOW VIEW

We have our new Greenhouse in place and our students have planted their first seeds. Our outdoor classroom is completed and students have been enjoying it. We have also put in a GaGa pit that students play in everyday and afterschool. Thank you to our PTO and other generous donors who helped make these new awesome things a reality for our students.

THANK YOU

As this school year ends I want to thank you for the support you have given our school this year. Parental support is one of the things that make Meadow View such a great school.

BE COURTEOUS ON SOCIAL MEDIA

We are asking parents and school supporters to be courteous and thoughtful when posting student pictures on social media. We have many students enrolled in our school who have asked our district NOT to publish or post their pictures. Many times at school functions and events parents take many pictures of their students and others. Please be considerate when publishing or posting pictures.
