## **Congratulations to Mrs. Allison's Preschool Class**

Recently, Mrs. Allison was notified that her Donors Choose project had been funded. In the early fall, she had created a project to purchase two different trikes for her preschool classroom. These two trikes will provide opportunities for the preschoolers to develop their gross motor skills while riding on their trikes. Congratulations Mrs. Allison's preschool kiddos and thanks to all who donated to the project.

## **Mrs. Condon Receives Prestigious Award**

It is with great excitement to announce another wonderful accomplishment by one of our staff members. This evening the annual Individual Exceptional Person award was handed out in Pittsburg through the SEK Interlocal Coop. Our very own Daria Condon won the certified teacher award. Congratulations Mrs. Condon!
