Red Wheel Fundraiser Update

Thank you to all of the many people who helped support our fundraiser. It was a great success! The kids did an awesome job.

Canned Food Service Project - The students at AGS are continuing their canned food drive through the end of 1st semester. Please send non-perishable food items and hygiene products to school. The ambassadors will be taking them to the city office.

Colder Weather:

As the weather begins to get cooler, please keep in mind students will always go outside for recess unless the wind chill is in the negatives. So please be sure they are dressing appropriately for the weather. That means, coats, hats, mittens, gloves etc.

BOX TOPS:

Please save those Box Tops. We are collecting them and the kids will be deciding on what they want to purchase with the money we raise.

Grandparents Day - Over 250 grandparents made their way to the AGS gym on Friday, Oct. 12 for a beautiful assembly to honor them. The kids did a fantastic job singing some well practiced songs. Then the students enjoyed a muffin and some juice, and a picture with their grandparents. The morning ended with a trip to visit their classroom.
