**Kansas State****Assessments:**

Please note the following tests your child will be taking during the months of March and April.

Grades: 3-8, Math

Grades: 3- 8, ELA

Grades: 5,8, Science

All grades will be approximately 2 days of testing spending about 45-60 minutes per day. The window will open on 3-11 and run through 4-19.

When scheduling appointments, please check with your child's classroom teacher to insure that they are here on testing day.

This helps the students to do their best when they test with their classmates, rather than trying to do a makeup test.

They add up and we have been able to receive over \$200 this year. So please continue to collect and send in. Also, we will be collecting Pop Tabs this semester for the Ronald McDonald House, so continue to collect pop tabs and send them in. Thank you!
