To The

SCHOOL BOARD POLICY CLASSIFICATION SYSTEM

The index includes many terms that do not appear in the policy classification system. These are underlined and cross-referenced to appropriate descriptors. In addition, major descriptors appear in several places. This again is to facilitate the user's search for correct term placement in the system.

The purpose for indexing many terms not appearing in policy is to be able to adapt both the index and the policy classification system to the wide diversity of school districts that are using this KASB contracted service.
