

## Mr. Allison's News

**Reading:** The class will continue working on a lot of vocabulary and comprehension skills. Please continue to read with them at home nightly. Remember reading only helps them if they are reading it correctly. Work on pausing at commas and stopping at periods.

**Social Studies:** We are still working on learning about different Native American tribes. They have been learning a lot of facts and sharing them with the class.

**Math:** We are in the middle of division. We have learned several strategies to divide and will continue to use them daily. Please keep reviewing basic facts at home in order to keep them fresh. These facts will make learning multiplication and division much easier.

**Note:** Please continue to check your child's planner. Their color will be in it

each night. They will also list objectives and upcoming events in it.
