

Kindergarten News

- Our Christmas party is scheduled for Wednesday, December 19th at 2:20. We will exchange gifts during the party. The girls will need to bring a gift for a girl and the boys need to bring a gift for a boy. The limit is \$5.00 for the presents. Please let me know if this is a hardship, so it can be taken care of. All gifts need to be at school by Tuesday the 18th, so I will have them labeled with numbers for the party. Ashley Muller is the room mother that will be organizing the party.
- The school is having a food drive this month. There will be a flyer coming out about this season of giving activity.
- We are getting low on snacks for milk break, so please send some for December. Thank you for our snack items, the kids do enjoy them very much.
- In Math, we are finishing up on learning strategies for addition and how to write vertical problems. The next concept is subtraction.
- This class has done an outstanding job in learning the letters and sounds of the alphabet. Also, in working hard on sight words and reading our sight word books. I am very impressed with the progress that all my students are making in this subject. We will continue to

work on learning skills that relate to reading (comprehension, retell, story elements, and more).

- We started writing in our journals to work on grammar and creative writing. The class is doing great in this process!
- Our STEAM Lab activities are engaging us in problem solving, engineering, and perseverance. We are having fun and learning at the same time. YEAH!

Have a wonderful week!!!
