

Kindergarten News

I want to give a big thank you to Ashley Muller for organizing and the parents that helped with the Christmas party. The class had a great time!

The first two days back from break were exciting. We missed each other and had lots to talk about. It is wonderful to be back at school for our second semester.

Our class would like to welcome to Edna, Bayley Sandoval. She joins us from South Coffeyville. We now have thirteen children in our room.

I hope all parents looked over the grade cards to see how we are learning and growing. I am so impressed with this group of children. They are so motivated to learn and come to school with so much prior knowledge. They are making this a fun and exciting year.

We have talked about expectations for this second part of the school year, academically and socially. The students know the hard work it takes to learn all of the new skills being taught. My expectations of behavior and following directions are higher this nine weeks. The behavior cards will be changing with less reminders than the first semester.

The January topics being taught this month are: Science-winter season and for Social Studies-Martin Luther King Jr. and Kansas Day.

This nine weeks in Reading we will be working on sight words, reading sight word books, review letter and sounds, rhyming, blending/segmenting, comprehension, and writing letters/words/sentences. We will get a second sight word book to take home to practice each night.

In Math, we are doing subtraction problems. We will continue to work on numbers (counting, recognition, and writing) all the way to 100.

**I am sending out a new book order for this month. If you want to order, just fill out the form on the back and send it to school along with a check made out to Scholastic Book Clubs or cash. The due date is Tuesday, January 15th.

Have a super week!!!
