

November

Science – 8th is studying energy and energy transfer. Students are learning how to use the online version of our new science textbooks.

Math – Eighth grade is nearly finished with their Geometry study. They are practicing interior and exterior angles, as well as the rules that determine each. They have done a great job in reasoning this chapter.

Social Studies – We are currently learning about Westward Expansion.

Language Arts – We are currently reading their 2nd novel, A Year Down Yonder. We are focusing on the literary devices that the author uses throughout the book.

News and Information

We will be traveling to the High school on the morning of Monday, November 4th to listen to a presentation by Miss Kansas.

Orientation – Our first high school orientation day will be Tuesday, November 5th. We will leave Edna at 7:40 am, so please have your child eat breakfast at home that day. We will eat lunch at LCHS and will return back to Edna around 2:30 pm.

Chili Supper – Our annual Chili Supper will be Saturday, November 9th. Our basket theme for 7th & 8th grade is “Lego”. Any items that you can donate towards our basket would be greatly appreciated. As of right now, we have very few donations.

CPR – The 8th-grade class will have CPR training at Edna on Wednesday, November 13th.

Novels – Our 4th novel is due Friday, November 15th. Please encourage your child not to procrastinate on finding and reading a book.
