Transportation Corner News

This month we are featuring some youtube videos that you can watch with your child.

The first one (#1) is targeted for PreK, K and 1st graders. We recommend you watch this short video titled "Let's Ride the Bus" with your child, not only can you talk bus safety but you can also help reinforce and work on rhyming words. #1

The second video is good for any age. In the video they list their 10 rules and rule number 7 is the one we witness broken most often by middle school and high school aged students. #2.

The last video is produced by the Mesa, AZ school district and features a middle school student as the narrator. They discuss 10 "Bus Behavior Guidelines" and the foundation of their guidelines are based on four principles; 1. Be Kind, 2. Be Respectful, 3. Be Cooperative, and 4. Be Safe. #3

We hope you take the time to watch a video with your child and help reinforce bus safety. Even if your child does not ride a regular route bus they will ride for a field or activity trip because 506 is always "On The Go."
