

News From Room 7

September 2021

7th Math – We are studying chapter 1, Adding and Subtracting Rational Numbers. This includes adding integers (positive and negative numbers), subtracting integers, adding rational numbers (integers, fractions, and decimals), and subtracting rational numbers. Please encourage your child to ask questions if they need help.

7th Reading - We are working on our grammar review this 9-weeks. This week our focus is on sentences and sentence structure.

7th Grade Science will begin the year learning about Cells. We will do some investigating of cells using the microscope and learn about the different organelles in plant and animal cells. This past week we have covered Lab Safety and Safety Symbols.

Quotes:

“Life is the sum of all of your choices. “

-Albert Camus

“Nobody can go back and start a new beginning, but anyone can start today and make a new ending.”

-Maria Robinson

Important Dates:

9/6 Labor Day – No School

9/7 – Volleyball Parent Mtg

9/8 – Instrumental Rental

Night @ LCHS

7th History & Novel – We will begin our study of Kansas History by looking at the state standards and the themes of geography. We will also begin reading our novel, The Birchbark House, about the Anishinabe (Ojibwe) Indian tribe.
