### TEST TO STAY AND LEARN PLAN

Through the KSDE, USD 506 has been named an official COVID-19 testing site. If a student or staff member has been identified as a close contact, they are able to be tested daily at their school building for the duration of their 10 day quarantine period. The individual must wear a mask at school and must show no signs or symptoms. This allows students to remain in class even if they have been exposed as long as they continue to test negative.

## Altamont Grade School

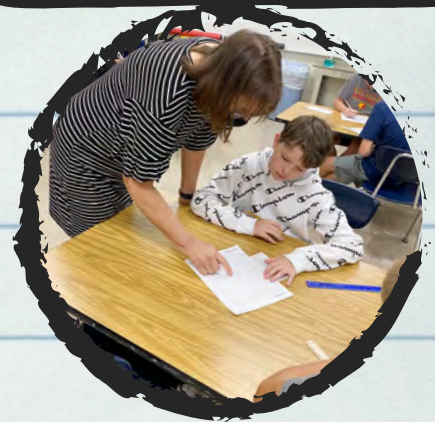

Principal Flatt reported 92% attendance at "Meet the Teacher Night" on Wed. Aug. 25. It was so great to see all of our families back at school!!

Mrs. Rakestraw's 7th graders did some team building activities. The game was called "Cup Stack". No hands are allowed and students could only use a string and a rubber band. (Left)

Bartlett Grade school is introducing a STEAM Lab this year for all K-8 students. This includes building, designing, and creating. This will be a space that promotes hands-on learning and collaboration. Some items available in the STEAM Lab are robotics, Legos, K'nex, blocks, and art supplies. (Right)

## Bartlett Grade School

## Edna Grade School

During the month of September, Edna Elementary will be reviewing all our different crisis drills in case of an emergency.

Edna Elementary School enrollment is up this year. There are 188 students enrolled with 17 new faces in grades (1-8). 21 Pre-K students and 19 kindergarten students. Principal Traxton is very excited about the new school year and all the opportunities that lie ahead.

We have a couple new faces here at Edna this year. Ryan Elliott (Band Teacher) and Karol Green (Cook).

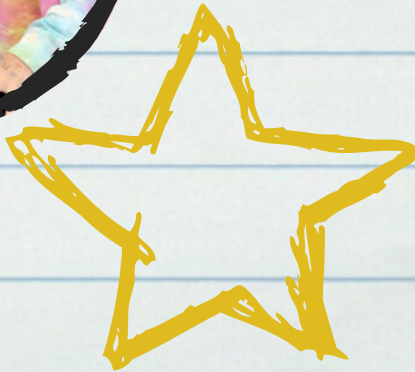

Last week junior high science students prepared for the year by learning how to use and read a triple balance. (Below)

## Meadow View Grade School

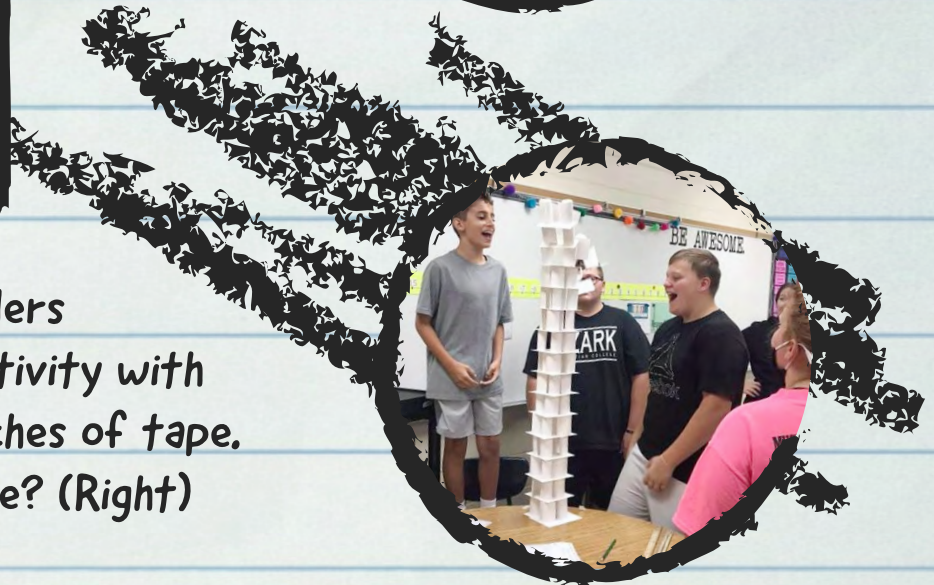

Students in Mrs. Baldwin's 2nd-grade class practice using math centers. (Below)

## Mound Valley Grade School

The Mound Valley 8th graders participated in a STEM activity with 100 index cards and 24 inches of tape. How tall will your tower be? (Right)

After Book Browsing, the Smarties work on Phonemic Awareness. It's called Word Work & students know their job is to listen to the sounds in words. Some of us think this is the best part of the day! (Left)

## Athletic and Activity Updates

### FFA National Finalist Kylie March

Kylie is a National Proficiency Award Finalist (top 4 in the nation) in the area of Fiber/Oil Crop Production. Kylie will compete against three other national finalists at the National FFA Convention, to be held in Indianapolis, IN, at the end of October.

### National Agronomy Team

The National Agronomy Team has advanced to in-person competition which will be held at the National FFA Convention in Indianapolis, IN at the end of October.

L to R: Alyssa Barragar, Kylie March, Blaine Smith, Noah Wiley

### Cross Country Kicks Off Season

The Cross Country team kicked off the season at home with a 2nd place overall finish in Haley's Run. Alex Meister (pictured) and Anna Cantrell both placed first overall in the varsity races.
