

News and Information

Science - 8th grade Science is wrapping up a unit on Kinetic and Potential energy. They are currently completing a web quest while investigating Mechanical Potential energy.

Blue & Gold - Thank you so much for all of your help and support with our Blue & Gold fundraiser this year. It was a great success.

PTO Meeting - Our next PTO Meeting will be Tuesday, October 19th.

Picture Retakes - Picture Retakes and Group Pictures will be Thursday, October 21st.

Math - 8th Grade is working on Inequalities, Two-Step and Multi-Step Equations, and Geometry.

Chili Supper Basket - Our basket theme for our drive-through Chili Supper is "Cleaning Supplies". This can include any type of cleaning items for the house, vehicles, pets, toiletries, etc...

Social Studies - We will continue reviewing the events leading up to the American Revolution and the Revolution itself. This is all building to our in-depth study of the founding documents and the creation of the Constitution.

Language Arts - We are currently reading short stories. In the month of October, we will focus on stories by Edgar Allan Poe.
