Parent Reminders – Important!

- **Grade Cards** go home! TODAY!
- **No School – 1/17/2022**
- **Cold weather dress code expectation** – Cold weather is here and to help with the health, safety and/or welfare of all students please remind your children that there is a "No Short Policy" - as long as the temperature is at or below freezing when school starts each day.
- **Doctors Appointments** - In order for the school to excuse a student's doctor/dentist appointment the parent must provide the school with a note from the doctor/dentist office stating time you were in their office. Thank You
- **Attendance Protocol** – Any absence due to sickness or doctor's appointment must be called in the day of the absence. All other absences must be approved through the principal's office prior to the day of absences. When these procedures are not followed the absences will be recorded as unexcused.

Note from School Nurse

I know that we are so focused on Covid at this time, but I just wanted to remind you to still use the When Your Child Is Sick guidelines for all other symptoms and illnesses. The Covid flowchart is based on having at least TWO symptoms. If a student presents with just one symptom, then please use the When Your Child Is Sick guidelines for the appropriate intervention. If you have any questions, please let me know.
