ADY HORTON

CURRICULUM

SCIENCE – 6th grade is currently learning about the history of Earth and how scientists date fossils, rocks and other artifacts.

SOCIAL STUDIES – We will be starting a new unit over the Ancient Civilization of India.

MATH - We are completing our Geometry unit on 2-D and 3-D shapes. Students have learned to do area, surface area, and volume of certain shapes. Ask your child to show you what they know. We will be testing next week before leaving for Spring Break.

READING – We are currently reading the novel, Bud, Not Buddy. We are focusing on literary devices and character dynamics.

NOVEL – We are still reading the Golden Goblet. We should finish it up just after Spring Bre
