Sept. Events

- No School--4th
- School Pictures--19th

Reminders

-Students should read 20 minutes a night and we will start reading logs next week

-Please sign student planners nightly

Our class got to meet Sheldon the turtle, our class pet. We have been learning about our responsibilities at school and at home. In math we have been learning about even and odd numbers. I am so proud of how hard our class has been working.

In Sept. students are going to be learning about water and erosion. They will be writing everyday in their draw journals and improving their art skills. We will be working on sequencing stories and practicing identifying nouns and verbs.

It would be great to practice spelling words, have your student use their vocabulary words in sentences, and do addition flashcards at home through the week.
