

2nd Grade News

Oct. Events

- Harvest Fest--27th
- Halloween party--31st

Reminders

-Students should read 20 minutes a night and we will start reading logs next week

-Please start working on addition flashcards once or twice as week.

Our class discovered cool facts about worms, did experiments to learn about them and even created a wormery to see how they dig tunnels.

In math we are learning about place value, as we get ready to start adding 2 digit and 3 digit numbers.

We are practicing our reading to be able to read quicker and smoother. Students are learning to read small groups of words, instead of 1 word at a time.

Our class book is Little House and the Prairie and we have learned lots of interesting facts about pioneers and we will continue that through the month of October.

Keep up all that great spelling practice at home. We are seeing big improvements at school!
