

Block The Door Food Drive

We will be gathering nonperishable food items to donate to local needy families. **We do this in place of a gift exchange.** This event teaches our children the importance of helping others in need. If you would like to help, please send new, unopened items such as canned goods; nonperishable foods such as cereal, instant potatoes, spaghetti; personal hygiene items such as soap, toothpaste, shampoo, and conditioner; or laundry items such as detergent. Also, make sure they are not expired dates, as we can't pass those on to our families. Please send these to the school by December 20, 2023. Thanks!!!!

IMPORTANT DATES

12/11 CHRISTMAS PROGRAM @ LCHS
12/19 SANTA WORKSHOP
12/20 LAST DAY OF SCHOOL BEFORE CHRISTMAS BREAK.

Curriculum

Science – 6th Grade started a new unit and module this week, Geological Processes and History. The kids are excited to learn about Earth's Surface. We will cover the Rock Cycle, Tectonic Plates, Fossils, and many other Earth related phenomena.

Social Studies – We are still in our unit over Mesopotamia. We are finishing up our cunieform tablets we made from clay. They will swap their tablet with a classmate and attempt to decipher the other person's message which is a fact about Mesopotamia.

Reading -6th - We are currently reading Christmas-themed short stories focusing on characterization and literary devices. Novel #5 is due Dec. 15th.

Math -6th Grade - We are working on converting percentages, decimals, and fractions.

Student of the Month

Addison Hite
