Student of the Month

Lily Volmer

CURRICULUM

Science – 6th grade is currently wrapping up Earth’s Geological Processes Module and will be starting Space Science after Spring Break.

Social Studies – We will be starting a new unit over the Ancient Civilization of India.

Math - Sixth graders are working on Geometry. They are learning to figure out the areas of quadrilaterals. We will also learn about the surface area of three-dimensional figures this month.

Reading- Sixth grade is currently reading A Wrinkle in Time.

Novel – We are about to wrap up the Golden Goblet. We should finish it up just before Spring Break.
